H45-2-42

Referring to correspondence ending with your letter No 2748/H L 2-42-27 dated 30-8-43 on the above subject, I have the honour to forward herewith the copy of the letter No H C 130/42 dated 7th December 1943 received from the Non-Official President, Nanjangud Town Municipality together with a copy of the Resolution of the Municipal Council and to state that while recording the orders of Government the Council have unanimously resolved that the Government may again be requested to kindly re-consider this order in view of the fact that the Official has been doing very good work in the Municipality for the past three years and that he is therefore highly deserving of the encouragement for the best services rendered by him. The President states that the Official is now drawing a pay of Rs 30/- per mensum and that the Municipal Council have proposed to give him an increment of Rs 10/- per mensum in the present grade Rs 30-1-40. He further states that if the Government are not in favour of sanctioning a lumpsum increase of Rs 10/- the pay of the Official may be fixed at Rs 30/- in the grade of 25-1-40, the grant of a personal allowance at Rs 5/- per mensum may be sanctioned to him in addition to his pay so long he remains in this Municipality. He also states that he is very useful in carrying out the administration of the Municipal Council. He, therefore, recommends that the Government may be pleased to reconsider their order and to accede to the request of the Council.

In view of the fact that the Official has been doing very good work in the Municipality, I entirely agree with the President and the Municipal Council and I am of opinion that by giving encouragement to such Officials the administration of the Municipalities will, no doubt, improve considerably.

In these circumstances, I request that you will be so good as to move the Government to reconsider their Orders and to accord sanction as a special case to the Resolution of the Municipal Council to grant the maximum pay of Rs 40/- in the grade of 30-1-40 with effect from 1st July 1943 as already recommended by me. By the sanction of this proposal, it will really give an incentive to the other officials working in the local bodies to do more work. I therefore, solicit the favour of early sanction to the proposal of the Municipal Council.

I have the honour to be,
Sir,
Your most obedient servant,

for Deputy Commissioner, (Administration), Mysore District
